The gullies of Toiano

This is a wonderful historical and natural trail in an area of Tuscany less widely-known. We will pass through rural landscapes rich with mystery and history.

The charming gullies will go along us during the hike, we will visit the ghost-town of Toiano walking in awesome forests and looking at astounding views. The area of the hike will be protected soon by the regional government.

All the hikes are led by professional guides certified by Regione Toscana (LR 42 del 2000)

Please call to reserve your guide until 1 P.M. on the day before the hike.
Prices 10€ per person, free for kids aged under 14.
